There are three types of flow cells with different diameters and different types of connection:

**LCAA series for pipe installing**

<i>ITEM CODE</i>	<i>SPECIFICATIONS</i>
<b>LCAA25W</b>	LCAA adapter for DN25 pipe to weld
<b>LCAA25DIN</b>	LCAA adapter for DN25 pipe with DIN11851 female connections
<b>LCAA25CMP</b>	LCAA adapter for DN25 pipe with Tri-Clamp® connections
<b>LCAA40W</b>	LCAA adapter for DN40 pipe to weld
<b>LCAA40DIN</b>	LCAA adapter for DN40 pipe with DIN11851 female connections
<b>LCAA40CMP</b>	LCAA adapter for DN40 pipe with Tri-Clamp® connections
<b>LCAA50W</b>	LCAA adapter for DN50 pipe to weld
<b>LCAA50DIN</b>	LCAA adapter for DN50 pipe with DIN11851 female connections
<b>LCAA50CMP</b>	LCAA adapter for DN50 pipe with Tri-Clamp® connections

Other sizes or types of connection on request.  
Material : AISI316 stainless steel

**FLCA series for angular installing**

<i>ITEM CODE</i>	<i>SPECIFICATIONS</i>
<b>FLCA80DIN</b>	FLCA angular adapter for DN80 pipe with DIN11851 connections
<b>FLCA100DIN</b>	FLCA angular adapter for DN100 pipe with DIN11851 connections.
<b>FLCA4INCDIN</b>	FLCA series curve adapter with 4" pipes and DIN11851 conn.

Other sizes or types of connection on request.

### FDC series for straight installing

<i>ITEM CODE</i>	<i>SPECIFICATIONS</i>
<b>FDC80DIN</b>	FLCA straight adapter for DN80 pipe with DIN11851 connections
<b>FDC100DIN</b>	FLCA straight adapter for DN100 pipe with DIN11851 connections.
<b>FDC3INCW</b>	FLCA series adapter with DN80 pipes to weld
<b>FDC4INCW</b>	FLCA series adapter with DN100 pipes to weld

Other sizes or types of connection on request.

For the application on tank or boule is provided an adapter for connecting the container-refractometer.

**BCA series for tank or boule installing**

<i>ITEM CODE</i>	<i>SPECIFICATIONS</i>
<b>BCA</b>	BCA adapter to weld
<b>BCAL</b>	BCAL adapter to weld for CRL100

Material : AISI316 stainless steel

If you need to replace an old refractometer series ASR / AMCR there is a mounting adapter

**RCA adapter for replacements**

Material : AISI316 stainless steel
